Rewards Day-Term 3

This term the school will operate a slightly different rewards system. Students will need to maintain a good level of behaviour over the term. If a child accumulates one or more green dots, red dots or even a suspension they will not take part in our rewards day at the end of the term. In the past students who accumulated three or more green dots were not allowed to attend the rewards day. This has now been lowered to one green dot. Please speak to your child about maintaining a good level of behaviour.

School Opinion Survey

Please find attached the parent school opinion survey which needs to be done online. Please take the time to log in and answer the questions about the school as the responses assist us with the school planning. Please complete ASAP.

School Photos were taken last Thursday. Photos should be returned towards the end of this term

Camp

Just a reminder to make sure all payments for the 5/6 camp are fully paid by the end of this term.

If you change your phone numbers or addresses please let the school know. There has been an issue this term where a parent's mobile had changed and we could not contact the parent.
